Dear Madam Director-General,

Re: Renewal of the UNESCO Chair in Youth and Adult Education

In May 2009, the Federal University of Paraíba, in João Pessoa (Brazil) and UNESCO signed an agreement for the founding of a UNESCO Chair in Youth and Adult Education as part of the legacy of CONFINTEA VI which was hosted by the Brazilian Government in December 2009. Since that time, the Chair has made an important contribution to discussions on policy at local, national and international levels as well as elaborating and executing several international projects on Youth and Adult Education. It has been a highly active partner in projects developed by the UNESCO Institute of Lifelong Learning in Hamburg as well as giving support to the Brasília UNESCO Office for activities in this field. The Chairholder recently participated in the preparations for CONFINTEA VII, held in Marrakesh, in June and was a member of the Confintea Consultative Committee.

It is thus with great pleasure that we affirm our intention to continue hosting the UNESCO Chair in Youth and Adult Education and to confirm the name of Professor Daniele dos Santos Ferreira Dias as the Chairholder. I look forward to receiving confirmation of this request for renewal of the UNESCO Chair at your earliest convenience.

Yours sincerely,

Profa. Dra. Terezinha Domiciano Dantas Martins  
Rector of UFPB
